

## Membership/Volunteer Form

*The Friends of the Clearwater Library is a non-profit 501c3 organization whose purpose is to promote, preserve, enhance, and support the Clearwater Public Library System for the benefit of the Clearwater community.*

The Friends of the Clearwater Library raises money for our Library system through the Bookstores in each of the five libraries. Visit the Bookstore in whichever Clearwater Library you visit. The books are affordable.

The Friends of the Library Bookstores always need donations of books for resale – paperbacks and hardbacks in good condition. Bring your donations to the Library.
